2015 Reflections and Accomplishments

HF funded Riverside Room renovation

"I've been coming out to Bolado Park since I was just a kid. It sure is great to see all of the improvements to this place...especially the sand out in the arena. That sure would have been helpful back when I was riding bulls!"
— Ben Reid

HF helped kick-off the inaugural year of the Youth Ambassador Program

"The Pavilion looks like a completely different building with all of the changes that have been made. I remember competing in roller skating events in there as a kid. Now I just want to go in there and dance and have a good time! It's great to see all the improvements out at Bolado."
— Mitch Bourdet

"As a local business owner it's great to see so many positive changes to the county's largest event center. We joined the Heritage Foundation last year after hearing about it from a few friends. We're amazed by all of the improvements we have seen in such a short time."
—Tim Chiala

HF funded removal of three old barns to create a new parking area

VISION:

Our vision is to preserve and enrich the heritage of San Benito County by continuing to develop Bolado Park into a premier destination.

A packed house in the Heritage Room

“Joining the Heritage Foundation has worked out great for our family. Not only do we benefit from all of the work that has been done, we also get to spend time getting to know other members between bunny shows. It has been well worth the money.” – Mark Lema
